

The Department of Social Services (DSS) is a diverse organization that offers professionals multiple opportunities to grow while serving the citizens of Bertie County. We are looking for motivated and career-driven individuals who strive to make a difference, whether on the frontlines or supporting those who work directly with children, youth, adults and families.

Working with Team DSS is both rewarding and challenging and you'll find a supportive environment ready to help you succeed as well as a team of committed professionals who value your contributions.

Bertie County DSS internship opportunities are for individuals aspiring to pursue careers at social services. Contact our agency and request information! Based on availability and an approved internship application, candidates are assigned a Field Instructor and a specified DSS program area:

- Public Administration
- Social Work
- Economic Services

These opportunities should be secured three months prior to the expected internship begin date. Internship requests are submitted to the Department head by the following dates:

- February 1st for a summer (May-July) placement.
- July 1st for a fall (September-December) semester placement.
- December 1st for a spring (January-May) semester placement.

*Dates are subject to change depending on the intern's collegiate schedule and contact with the University's Field Education Coordinator.
